

Safe Environment Program (K-6th)

As part of the U.S. Bishops *Charter for the Protection of Children and Youth* and our Bishop Kevin Vannø *Covenant with all the Faithful*, we are offering this annual presentation for children and parents. Children will learn basic personal safety techniques at an age-appropriate level. The program will be led by trained parish volunteers, under the direction of the Religious Education staff. **We strongly recommend that you have your child attend this important presentation.** If you would like to opt-out of this presentation for your child, please contact me. The parent presentation will be given during the Parents Meeting for each program. Circle of Grace Parent Information is available on our website.
