

Welcome...

to the faith formation programs at St. Elizabeth Ann Seton Church. As a team, our goal is to offer teaching and resources to help your family live in a way that is faithful to the Gospel of Jesus Christ in the tradition of the Catholic Church. Our work involves instruction in the faith, opportunities for service, sacramental preparation, worship, fellowship, and spiritual renewal. We hope you will find our ministries enriching and that you in turn will enrich those around you. We pray this faith journey will enrich your family and our parish community.

We are committed to making our programs inclusive and accessible to all, including those with special needs and disabilities. Please inform us of any special circumstances your child or family may have.

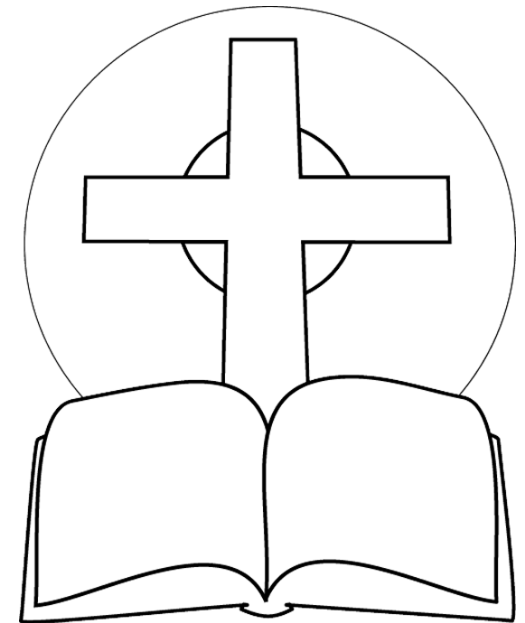

New Registrations

You must be members of our parish to register for religious education programs.

A copy of your child's baptism certificate should accompany your registration form.
