Feedback from user of the program:

"Circle of Grace is so timely. Thank you! Even if the church leadership did not require it, the culture that we live in does. It is a perfect way to show that living our faith is a real adventure in the world in which we find ourselves. Faith intersects with life in the development of this program."

Circle of Grace is set apart from other programs by teaching:

- God's presence and assistance in difficult and confusing situations as an essential component in its K-8 curriculum.
- a philosophy that can be used at all times as a concept that reinforces God's real presence in our lives, respect for self and others, and skills for good decision making.
- the sacredness of each person and how relationships are called to be experiences of divine love.
- beyond the "good touch-bad touch" models by addressing the whole person. Thus it is able to teach how boundary violations can occur through all of our senses.
- a holistic approach giving children and youth the skills to identify uncomfortable situations long before inappropriate touch occurs.
- children and young people to identify the "trusted adults" in their lives in addition to their parents.
- parents by informative letters, lesson handouts, and educational material.

What is the Circle of Grace?

Circle of Grace is the love and goodness of God that surrounds us and all others. It is the recognition that God is with us always and is there to help us in difficult situations. Through the Circle of Grace Program, adults assist children and youth to recognize God's love by understanding that each of us lives and moves within a Circle of Grace. Your Circle of Grace holds your very essence in body, mind, heart, soul, and sexuality. This is taught in a visual and real way by the following prayer. One can demonstrate this prayer and ponder its profound simplicity.

Imagine:

Raising your hands above your head and then
bringing your arms slowly down
keeping them outstretched.
Extending your arms
in front of you
and then behind you
embracing all of the space around you
knowing that **God** is in this space with you.
Then slowly
reach down to your feet.
This is your
Circle of Grace.
You are in it.

Because this holistic concept includes all senses it allows children and young people to identify uncomfortable situations long before inappropriate touch may occur. The Circle of Grace program teaches children and young people to seek help from a trusted adult, reinforcing God's presence in their real life struggles.

Circle of Grace is one of the few programs that has:

- an *imprimatur* and a *nihil obstat* from an Archbishop.
- each lesson correlated with appropriate Catholic teaching.
- evaluation results that show effectiveness.
- pre- and post-assessments for designated grades.
- summary evaluations that capture required information needed for the national audit.
- philosophy and goals which are consistent throughout the K-8 curriculum.
- comprehensive and self-contained materials for each grade.
- the ability to customize the program with local contact information.
- an administrator's section with all the information needed for implementation.
- a training in-service for all who use the program.
- a significantly lower cost than other programs.
